

PUBLIC NOTICE

Road Closures between Richmond and Brompton on Swale.

Residents have understandably been expressing concerns that it is important that the road between Richmond and Brompton on Swale isn't closed for work whilst the road from Richmond to Barracks Bank is closed between 20th July and 16th August.

The surface dressing has been completed on the road to Brompton on Swale and all that now remains is the re-instatement of the road markings and studs. This will involve the road being closed for one day and should be completed in the next 2 weeks.

No road closures are expected between Richmond and Brompton between 20th July and 16th August.

Residents of Skeeby are also asking if letters will be delivered informing them of the closure and how they will be able to access Skeeby.

Legally this is the responsibility of the contractor doing the work, not NYC Highways, and yes you should receive a letter.

Angus Thompson.

NYC Councillor.
